

MICE TIMES

Y6 Trip to Jorvik

This half term, year 6 went on a trip to the Jorvik Viking Centre in York to learn more about their Viking topic. They had a ride, were equipped with armour and were acting out sagas on the trip.

Moving words

This half term Moving Words, an entertainment duo, have been *moving* around school. They have done a Viking workshop with year 6 and an Anglo-Saxon workshop with year 5. It was an exciting non-writing work day for a change. The poem that Colin, one of the members, wrote about our school is on the school website.

Nativities

This Advent, Reception and Yrs1 & 2 have been putting on nativities!

Yrs1 & 2's nativity was on the 16th, while Reception's was on the 17th (December).

Both performances were excellent!

Praise and worship

Praise and worship is a time to calm down, examine your conscience, and to praise the Lord. The children meditate, sing and listen to bible readings. It is great for calming down and gaining confidence for your worries. And remember, all parishioners are welcome. The service takes place at 1:15 on Monday for years 3&4 and the same time on Friday for years 5&6.
