

# MICE TIMES

Dear parishioners,

**We're Martha and Matthew, two church mice, and this half-term, we're delighted to be announcing the start of our newspaper! It'll be full of what we see at see at Sacred Heart, our new home! We say our *new* home because we used to live in the Church, but a nasty cat chased us out...Although we have a few claw marks, we're fine! *And* we've found two lovely humans, Isobel and Ehi, to write all this down for us!**

Sacred Heart hits the big-time!

**In the Manchester Evening News, Sacred Heart got a little slot on page 18 (it's the one for October 3rd) telling the general public all about their fabulous financial findings! They've been highlighted as a 'centre of excellence' for money management lessons!**

## Year 6 Roles & Responsibilities

**At the start of the new term, members of year 6 were picked to do a lot of important jobs around school, such as the very special Head boy and girl, Vincent and Rebecca, all the Prefects, and even the humble Mice Times writers!**

Ofsted Outstanding!

**This term, two lovely Ofsted inspectors came to have a little look around our school, and .... They've given us an Outstanding!. We bet they saw how hardworking , clever and determined all the children and staff are!**
