

Religious Education

**Welcome** - We welcome everyone to our school. Every heart is sacred here.

**Worship** - We worship in many different ways, including Mass, Praise & Worship, assembly, liturgies, prayer services and Wednesday Word para liturgies.

**Word** - We know that we can find the Word recorded in the Old and New Testaments. We spread the Word by talking about Jesus and by acting like him.

**Witness** - We witness to our faith in all we do. We are fair, compassionate, loving and forgiving.

**Welfare** - We care for everyone in our school parish family and with Bryan, our charity leader, we think of ways of helping others locally and internationally.
