

Year 4 Mathematics 2017/2018

	Autumn 1	Autumn 2	Spring 1	Spring 2	Summer 1	Summer 2
Week 1	Number – Place Value	Number – Multiplication and division	Fractions	Decimals	Measurement – Perimeter and length	Geometry – Position and direction
Week 2	Number – Place Value	Number – Multiplication and division	Fractions	Decimals	Geometry – Angles	Statistics
Week 3	Number – Place Value	Number – Multiplication and division	Fractions	Decimals	Geometry – Shape and symmetry	Statistics
Week 4	Number – Addition and subtraction	Measurement - Area	Fractions	Measurement - Money	Geometry – Shape and symmetry	Measurement – Area and perimeter
Week 5	Number – Addition and subtraction	Measurement - Area	Time	Measurement - Money	Geometry – Position and direction	Measurement – Area and perimeter
Week 6	Number – Addition and subtraction	Review - Number	Decimals	Time		Assessment
Week 7	Number – Multiplication and division	Assessment		Assessment		
Week 8		Festive numeracy activities
