### Rewards/sanctions:

### How you can help your child:

- Listen to your child read at least once a day. Ask your child to tell you about their book.
- Help your child to learn their weekly spellings – practise definitely makes perfect!
- Encourage your child to complete all homework given – this will reinforce what they have learnt in school and it will help your child get into good habits.
- Help him/her to learn the 2, 3 5 and 10 times tables – try to think of fun ways to do this.
- Please ensure that your child gets a good night's sleep so that they can get the most out of their school day.

Please feel free to talk to me about anything that you want to clarify or think I need to know about your child. I am happy to answer any questions you have and I am interested to hear what you have to say. It is important that you feel involved in your child's school life.

Hopefully by working together we can make this a fantastic year, I am really looking forward to working with you and your child.

Thank you

Miss Pearson
