‘Where Every Heart is Sacred’

12th January 2018

Dear Parents

On Friday 19th January at 2.30pm there will be special health and well being presentation for parents delivered by John Pommells. John is an expert on health and well being and has delivered many outstanding seminars at various locations across the country.

The presentation will be focusing on nutrition and promises to provide some expert information, which could benefit you and your families.

Sacred Heart School values the impact such knowledge and information can have on the well being of our whole school community and is very keen for as many parents to attend. Because of this we are giving every parent and carer that attends the presentation one free raffle ticket to win an Amazon Fire HD Tablet . There will be an opportunity to buy additional tickets on the day. The draw will take place at the end of the session. The session will finish at 3.15pm.

I look forward to seeing you on Friday in the school hall.

Yours faithfully,

S. Walker
Headteacher
