‘Where Every Heart is Sacred’

6th February 2018

Dear Parent/ Carer,

Today has been UK Safer Internet Day and as part of this the children have been, or will be, taking part in lessons with an E-safety focus. Additionally, we are also going to be running a competition. As part of this, the children need to design a Sacred Heart E-Safety mascot/superhero. The winning design will be on all our E-safety material, lessons and posters around the school. The winner will also receive a 3D printed figure of their character and the class of which they are a member will receive a £30 Amazon voucher. Designs can be based around anything to do with E-safety but should involve our school E-safety motto of Stop-Block-Tell. The design should include a picture along with key information about the character or what their ‘super powers’ are. They can be designed in any way the children would like and finished designs should be handed to the class teacher by Friday 16th February with the winner being announced after half-term in assembly on Friday 2nd March.

In the meantime, if you would like any more information on E-safety then you can visit www.saferinternet.org.uk or please go to our link page on the school website.

I look forward to seeing all the entries.

Yours faithfully,

Mr Long
