A Note from the Headteacher

Dear Parents

I hope you will enjoy our new style newsletter. I plan to send a similar newsletter home each week with a little information about our weekly achievements and any special notes. The newsletter is available on the website as are all our letters to parents. Have a wonderful weekend.

God bless,

Mrs Walker

Advent

As we begin the 1st week of Advent, we will all be preparing to celebrate the coming of Jesus. We will be doing this in a variety of ways, mainly through prayer and reflection so that our hearts and minds can be ready for this special event. Don't forget to use the Wednesday Word to help you prepare and pray together as a family during Advent.

Primary Science Quality Mark

The school has recently been awarded with the **Primary Science Quality Mark**. This confirms that there is some amazing Science learning going on at Sacred Heart and the children understand the role of Science in their lives. Congratulations children and thank you to Miss Robinson for leading the school towards achieving this wonderful award.
