### "A Week in Words"

This week we have been learning about the role of Post Office Worker - the children have written a card to their friend, walked to the post box, posted it, and are waiting for them to arrive through their letter boxes at home soon!

Nursery have been busy constructing emergency vehicles, talking about the tools they are using and adapting their work.

Experiencing the snow and cold weather this week has also been very exciting!

### Happy Birthday!

Chinemerem is celebrating his birthday this week! We hope it's a fun time!

You can wear your own clothes to school on your birthday - this is instead of bringing in sweets to give to your friends as we are Healthy School!

### Next Week in Reception

Literacy Text - Non-Fiction texts on the role of the Dentist. Please talk about how you can keep your teeth healthy through everyday routines and diet.

Phonics - We enjoy singing this song most days - it really helps us learn our tricky words. Please ask your children to sing it at home to you - <https://www.youtube.com/watch?v=e2dx65u59aw>

Numeracy - We will be continuing to find out about weights, measures and capacity by making some healthy flapjacks during our focus activity time.

The children have also been enjoying singing this song in Numeracy - it really helps them with the skill of subitizing! <https://www.youtube.com/watch?v=ib5Gf3GIZAg>

### Next Week in Nursery

Literacy Text - Next week we'll be looking into the role of the fire-fighter and how they help the community.

Maths Focus - We will be focusing on positional language and direction.

### Independent Home Challenge

This week at home, please teach your child to put on their shoes and socks/tights on by themselves, Lots of children still find this tricky, so we will support them together.

When your child shows us they can do this, Reception children will receive a Dojo and Nursery children will earn a sticker, and they will get a mention on next weeks news letter. We hope the Independent Home Challenge will help develop their self-care and key life skills!

#### Just a Reminder

- We would like to welcome our students Miss Brennan who is carrying out her placement with Reception, and Miss Smith who will complete her placement in Nursery. We know that parents and children will also make them feel very welcome.
- Reception parents, don't forget to sign up to the Dojo App - this will give you immediate notifications and messages - it's really handy - thanks to the parents who message us back!
- In the mornings, please ensure you stay with your children and bring them into the class or line at 8.55am. Older siblings should not be looking after them until the start of school.
