A Poem by Aurelia in Class 9

Save our world, save creatures.
 They all can help the earth with all their features.
 Why pollute the planet when animals can help?
 Plastic cans and litter all tangled in kelp.

Save our oceans, save our sea,
 leave animals alone; let them be.
 Dolphins and crabs getting stuck in nets.
 Please stop harming these poor pets.

Save our rain forests, save our trees.
 Stop cutting them and let wildlife live in peace.
 Others should know that if animals are
 wiped off earth's face
 there will be no humans,
 no human race.

Welcome to Your New Head Pupils

I am delighted to announce our new Head Pupils for this new academic year. Miracle and Aditi will be the voice of the children and will be supporting the school community in ensuring the school is the best it can be and we continue to live out our Mission Statement. They will be formally introducing themselves to you all in the next few weeks. Please support them in their new roles.

Brighten Up for Charity

Friday 4th October is Harvest Fast Day and we will be 'Brightening Up for Charity'. The children are invited to dress in their own brightly coloured clothes and bring in a donation of at least £1. All the money we raise will be donated to CAFOD and will help so many people who are suffering without food and water. Please encourage the children to donate and contribute to those less fortunate than ourselves. You can find lots of information about CAFOD by clicking on the following link:
