Dignity of Work

Our Catholic Social Teaching Theme this term is The Dignity of Work. The children are learning lots about different types of work, careers and vocations. They are thinking about how we can best use our gifts to serve others and be the best we can be.

Everybody's work is valuable and important for the community and we are interested to hear about the work of parents and family members. Please feel free to share any of your work experiences with us to support the children's learning.

St Peter said we should ***'serve one another with the gifts you have received.'*** Peter 4:10

Dogs

We love dogs! However, please remember that dogs are not allowed on the school playground in line with our school policy. We also ask that dog bags are not placed in the playground bins.

Community Thoughts

"One of the marvellous things about community is that it enables us to welcome and help people in a way we couldn't as individuals." Jean Vanier

Fortnite Online

It has come to our attention that a number of children have been discussing the online game, Fortnite. As you may be aware, the PEGI have assessed the game as only suitable for children over 12 years old ***'due to frequent scenes of mild violence. It is not suitable for persons under 12 years of age'*** There are also a number of other potential risks which include the following:

- As Fortnite is an online game, you will play against players of different ages from across the world. You cannot turn the game chats off or choose who you play against.
- Fortnite does feature violence when players are in combat with each other.

Please click on this link for any advice with regard to keeping your child safe on the internet and Fortnite.
