

Nursery Home Learning Timetable – Week 2

W/B: 30th March 2020

Attached below is a recommended timetable for Nursery to follow during their second week of learning from home. Any links needed are also attached below. The timetable is there to support you during this difficult time. You do not have to stick to the timetable each day, you can use it for activities as and when needed. Each week we will be sending out a new timetable with new activities to complete.

We will continue to use Class Dojo and the school website to communicate information to you. The children will also be receiving a personal Gmail login to access Google Classroom from home. We will be using Google Classroom alongside Class Dojo to keep in contact and share activities.

Please continue to use our class email to contact us if you are having any difficulty accessing home learning and continue to send us pictures of your learning from home.

Keep safe,

Miss Briggs and Mrs O'Hara
