

Nursery Home Learning Timetable – Week 3

W/B: 6th April 2020

Attached below is a recommended timetable for Nursery to follow during their third week of learning from home. Any links needed are also attached below. The timetable is there to support you during this time. You do not have to stick to the timetable each day, you can use it for activities as and when needed.

We will now be using Google Classroom alongside Class Dojo and the school website. Thank you to those already signed up! Each week we will be setting assignments on Google Classroom, linked to the learning on the timetable. The assignments will have resources linked for you to use and once completed you can upload a photo of your child's work. Each week there will be new assignments set.

Please continue to use our class email to contact us if you are having any difficulty accessing home learning.

Keep safe,

Miss Briggs and Mrs O'Hara
