

Dear Parents and Carers,

Thank you to everybody for helping to ensure that the start and finish of the children's school day is running safely and smoothly. After a rocky start, we have seen things improve day after day. On Tuesday 15th September, we will be editing our guidance for parents with a few changes that will help to keep things simple and as safe as possible. We'll send you a link to the guidance as soon as it is published. All the children have quickly settled into the new systems and are superb at following the new health and safety rules. We are all very proud of them.

Today, many of us at school shared a live stream Mass celebrated by Bishop John. Bishop John asked us to think about the purpose for which God has created each of us. We heard the first reading of St Paul to Corinthians which reminded us that we are all part of one body and when we work together, we are so powerful and can overcome incredible challenges. He said we should ask ourselves, '**what part of His body am I?'. What has God created me to do?'**

Bishop John also asked us to continue to be kind to each other and recognise the challenges that we are all presented with.

God bless,
Mrs Walker

Welcome to Our Reception Class

This week, our Reception class have started school. Some of the children are new to us and some are already Sacred Heart pupils as they attended Nursery. They have proved to be a wonderful class of very smart and happy children. We look forward to watching them all learn and grow as the year moves on. Please remember them in your prayers.

Twitter

Remember, we have a school twitter account and we would really like as many parents as possible to follow our tweets. We like to celebrate children's work and news on our twitter page and we post our newsletters on there too. Follow us at <https://twitter.com/SHGorton>
