

Dear Parents and Carers

If you look closely, we can just about see some signs of spring around. A few daffodil shoots are beginning to show and the sun is trying to shine a little longer. This always brings me joy and hope!

Following my notification on Monday, I sadly need to remind you that school will be closed on Wednesday due to the national union action and its impact on our school. If your child is entitled to a free school meal, please ensure you complete the form available on ParentMail. Learning resources can be found on the school website in the 'Learning Links' section.

Have a happy weekend and God bless.

Keep Our Children Safe

Recently, a vehicle has been regularly mounting the kerb near the junction of Knutsford Road and Brookhurst Road at pick up time. This is happening when children are on the kerb.

Please **DO NOT PARK OR STOP OR MOUNT THE KERB** to drop children off or collect them outside school on either side of Knutsford Road or near the junctions.

PLEASE PUT CHILDREN FIRST

Science Walk

Class 1 enjoyed outdoor learning this week during their science lesson. They learnt about deciduous trees and evergreen trees. They spent the afternoon in Sunny Brow Park and collected lots of leaves to classify when they returned to school.

Holocaust Memorial Day

Loving God, you care for each and every human life.

All people are cherished as your beloved children,
 no matter how ordinary or extraordinary their stories are.

Today we come before you to remember the victims of the Holocaust.

We lament the loss of the six million Jews who were killed in the Holocaust,
 the millions of other victims of Nazi persecution, and victims of all genocides.

May our minds be clear and attentive to their memory,
 and our hearts be moved to bear witness to their lives.

Help us all to turn away from hatred and division,
 and to build a world where genocide is no more.

Strengthen us so that we, in our own ordinary ways,
 may show extraordinary love in the world today.

Amen

World War II

Year 5 and 6 were delighted to welcome Jack into our school to share his experiences of being evacuated during the Second World War. He shared some fascinating stories with the children and they had some great questions for him too!
