'Where Every Heart is Sacred'
Newsletter 21st April 2023

Dear Parents,

Happy Easter to everybody and welcome back to school. Easter is such a wonderful celebration of new life, new beginnings and hope for all. We are looking forward to an exciting summer term with lots of outdoor activity including a residential trip to Ghyll Head, farm visits and much more. Thank you for meeting with your child's class teacher this week to discuss their progress in school. The teachers reported that it was a pleasure to be able to talk with you and share good news. The children have worked hard all year so far and we are very proud of their achievements.

Year 6 are looking forward to their SATs tests. It's vital that they continue to work hard, both at school and at home, so that they can achieve their very best in preparation for the tests and High School. The SATs tests take place from May 9th to May 12th when all Year 6 children will be invited into school at 8am for an early breakfast. This usually helps them to be fully prepared for the first tests of the day.

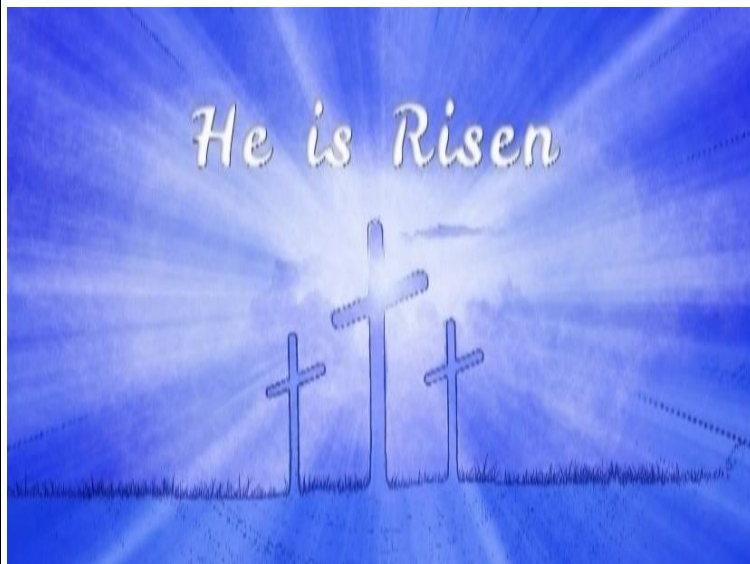

Have a lovely weekend,

Mrs Walker

Easter

May the glory and the promise of this joyous time of year bring peace and happiness to you and those you hold most dear.

May Christ, Our Risen Saviour, always be there by your side to bless you most abundantly and be your loving guide.

Debate Mate

Our Debate Mate team attended the final session of Debating at Manchester Metropolitan University. They have debated a whole range of topics, voicing their opinions on important issues. Over 10 schools took part in the debates. Both of our teams debated skilfully and made fantastic arguments with style and grace. We are very proud of them for representing Sacred Heart School.

Gorton Library

Class 5 visited Gorton library this week. Gorton Library is a great space for reading and has lots of resources to support learning. We will continue to encourage all the children to attend the library at weekends and after school. This weekend, on Saturday from 2pm, the children can join an artist in some creative work to remember Stephen Lawrence.

STEPHEN LAWRENCE DAY

Join Artist Tina Ramos Ekongo:
Remembering Stephen Lawrence. Create your own collage poster with images of Stephen, his legacy and empowering quotes from people impacted by his life.

Stewardship

Our Caritas theme this term is stewardship. The children will be reflecting on how they can be good stewards of God's world. It would be really useful to discuss this at home and consider the following:

- Do we care enough about the world God has given us?
- What do we do to look after it?
- Do we care about others and their belongings?
- What do we do to show we care?

'The Earth is the Lord's,
and everything in it,
the world, and all who live in it;
for he founded it on the seas
and established it on the waters.

Psalm 24.1-2
