

Early Years and People Who Help Us

Our youngest children have had visitors this week as they continue to learn about the people who help us and the dignity of work. They were so excited to meet our friendly police officers and heard all about the police officers work. The children even sat in the police cars and know how to put the siren on!!

Debate Mate

Meet our amazing Debate Mate team who will be debating each week on a range of topics including climate change, the rise of technology and a wide range of political issues. Next year, they will compete in the Urban Debate League. Watch this space!
