

### Debate Mate

Congratulations to our Debate Mate Team who travelled to Plymouth Grove School yesterday to participate in a Debate Mate tournament. There were 5 schools debating and Sacred Heart won 3 out of 4 debates. They will continue to debate throughout this year and, if their success continues, they stand a chance of debating in London at the Houses of Parliament.....Good luck!

Thank you to Miss Wynne for leading the team and Mrs Speed for driving them to Plymouth Grove.

### Outdoor Learning in all Weathers

It may have been wet and rainy earlier this week but that didn't stop Early Years from having outdoor fun! The children got out in their coats and waterproofs for some wonderful fun and learning. The children developed their gross and fine motor skills by making bubbles with sweeping up and scrubbing brushes

### Please Help Keep Our Children Safe

Every week, we remind parents, carers and visitors not to park or stop on the yellow lines outside school or close to the junctions, in line with the Highway Code. The reason for this is so that our children can get to school safely and also so that the buses aren't prevented from moving around the corner of Knutsford Road and Brookhurst Road. When buses are prevented from moving freely, the traffic build up causes more risk to our children.

**There are a small number of parents who continue to ignore our safety requests and the Highway Code by parking their vehicles.**

**PLEASE STOP**

### Learning about the Tudors.

Class 6 had great fun at Ordsall Hall learning about the Tudor way of life. Class 5 can't wait to visit next week.
