Lenten Reflection

You showed us through the life of
Your Son Jesus Christ
that You are willing to do something different
for the sake of generosity.
Please give us hearts of compassion like yours
and help us to be alert to those in need of
Your transforming love.
Help us to be ready to change ourselves
as we reach out to others.
Show us ways to restore our relationships,
our community and our world.
Amen.

World Book Day

We had a superb day last Thursday as we celebrated the gift of books. It was wonderful to see all the incredible book characters as the children arrived at school in their outfits. The fabulous book boxes that children created are displayed for all to see in school. Thank you to all parents and carers for supporting the children and the whole school on World Book Day and helping us to ensure all our children develop a love of reading and books.

Parent Governor Vacancy

We still have a vacancy for a Parent Governor Representative for a term of office of four years. Parent Governors should be a practising Catholic and should have a genuine commitment to the educational, personal and spiritual development of students and in particular to the wellbeing of the school community as a whole. Governors work voluntarily. Click on the links or visit the school website for further information about the role of a parent governor and what to do if you are interested in applying the role.
Notification of an Election
Being a Parent Governor

Big Lent Walk

During the season of Lent, we will be joining our parish on the 'Big Lent Walk'. We hope to raise £200 to support CAFOD with their work, helping families around the world whose lives are in danger due to poverty. Children and staff will aim to walk at least 200km collectively before Good Friday. We will be doing this during the school day. You can support us by donating any small amount of money on this [CAFOD](#) fundraising page or by supporting children to complete their sponsor form (which they will receive soon) and returning it to school.

Super Reading Awards 15.03.24

Silver Trophy Winners

Class 6 for passing 20 quizzes and reading 150,233 words.

Gold Trophy Winners

Class 8 for passing 24 quizzes and reading 288,206 words.

Science Week at Sacred Heart

What a wonderful Science week we have had. We have been investigating all sorts of different scientific topics including forces, states of matter, everyday materials and living things.

In the Wonder Dome, we were able to see and learn about each planet and the solar system. We know so much more about moon landings, space explorers and rockets too.
