

Happy half term to all our children, parents and carers.

School will reopen on Monday 10th June.

Miss Tennant

Please remember our very special Finance and Admin Assistant, Miss Tennant, who begins her maternity leave today. She certainly deserves a rest before baby arrives. We send Miss Tennant, Kieran and all her family lots of love and prayers at this special time.

The Solemnity of The Sacred Heart of Jesus

On Friday 7th June, we will celebrate the Solemnity of the Sacred Heart of Jesus and we be reminded of Jesus' intense love and compassion for each and every one of us.

Remember our very simple prayer.

'Most Sacred Heart of Jesus, I place all my trust in You.'

First Holy Communions

Many of our children are preparing to receive their First Holy Communion on Saturday 22nd June at Sacred Heart Church. As Pope John Paul II said, **"there is no doubt that an unforgettable meeting with Jesus is First Holy Communion, a day to be remembered as one of life's most beautiful."** Please pray for them as this special day draws closer.

Sacred Heart Planting Day

Thank you so much to all of our volunteers, children, teachers, and teaching assistants for the fabulous work you have done today. Thank you for the donations of plants too. We have made a superb start to brightening up the grounds with colour and beauty. It's so wonderful to appreciate our natural environment.

Giuseppe Arcimboldo Art

This half term, Class 1, 2 and 3 have been learning about the Italian artist Giuseppe Arcimboldo. They have learnt a variety of skills and created art using different media and techniques, such as collage and sketching. Their final piece of work was to create a sculpture as a group. The children have loved applying what they learnt this half term and working as a team to create beautiful 3D art.

Year 4 Multiplications Check 10th to 14th June

After the half term break, Year 4 children will take the Multiplications Check. The purpose of the check is to determine whether your child can fluently recall their times tables up to 12, which is essential for future success in mathematics. It will also help us identify if your child may need additional support. It is an on-screen check consisting of 25 times table questions. Your child will be able to answer 3 practice questions before taking the actual check. They will then have 6 seconds to answer each question. On average, the check should take no longer than 5 minutes to complete. The check will take place week beginning 10th June.

For further information about this check please click on this link [Information for Parents. Multiplications Check](#)

Year 1 Phonics Screening Check 10th to 14th June

The phonics screening check is taken individually by all children in Year 1 in England and will be take place **week beginning 10th June**. It is designed to give parents and teachers information on how your child is progressing in phonics. It will help to identify whether your child needs additional support so that they do not fall behind in this vital early reading skill.

There are two sections in the 40-word check and it assesses phonics skills and knowledge learned through Reception and Year 1. Your child will read up to four words per page for their teacher and they will do the check in one sitting of about 5–10 minutes. You can see what the phonic screening check looks if you click on this link: [Example of Phonics Screening Check](#).

There is also further information on the school website about the teaching of phonics and the correct sounds to use to support your child at home.

Summer Term 1 Attendance Winners

Class 8 achieved an incredible 98.2% attendance this term. This is a super achievement. Congratulations.

11am–12noon
