

Sacred Heart RC Primary School

'Where Every Heart is Sacred'

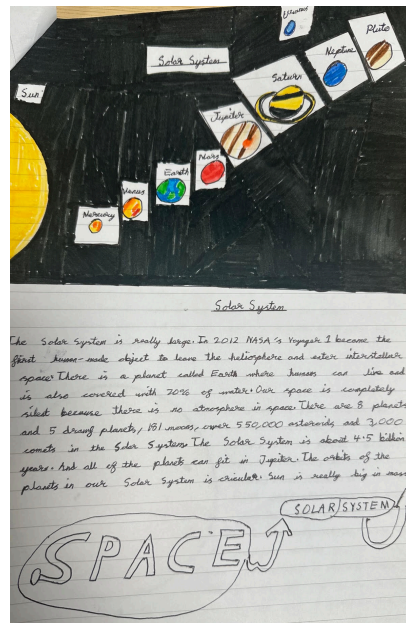

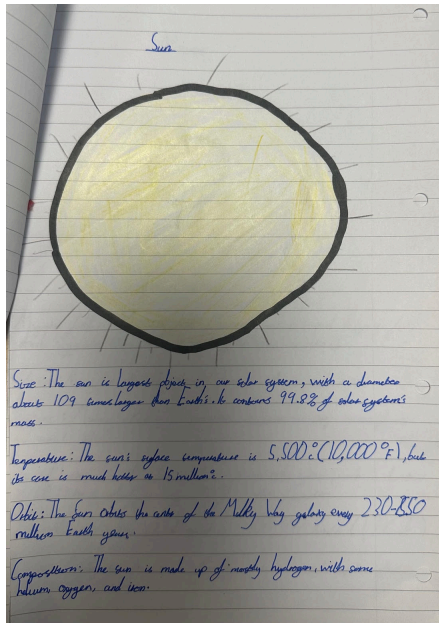

Week Commencing: 4th November 2024

.....

Remembrance Sunday

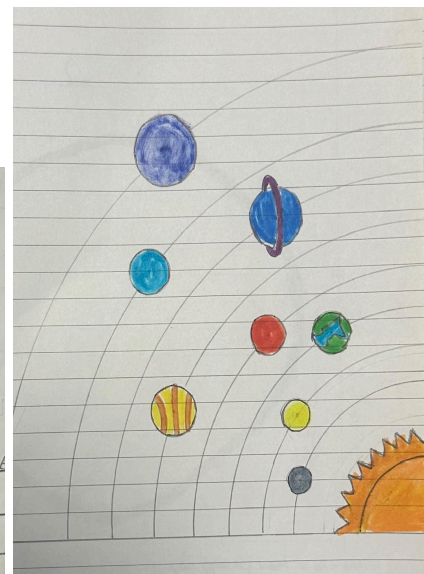

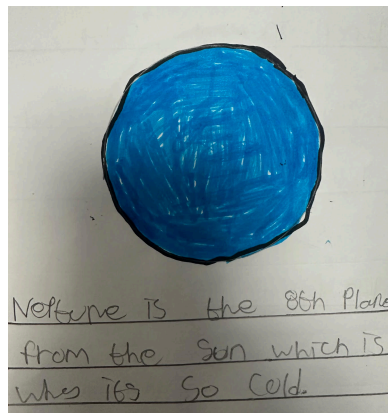

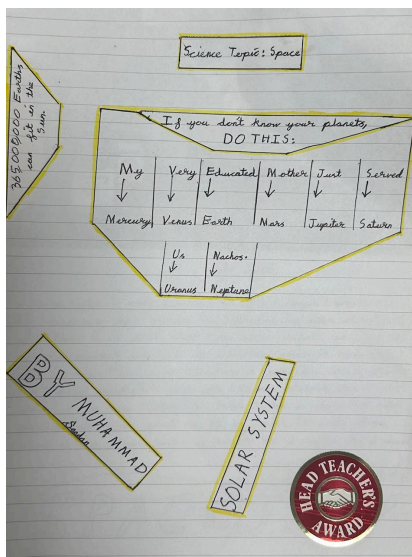

Thank you to Miss Leadbetter, Mrs. Hatton, and Class 4 for preparing a poignant Remembrance assembly for KS2 this morning. Together, we honored the brave service men and women who fought for our freedom in the First and Second World Wars, and we respectfully remembered the millions who lost their lives in those conflicts and all conflicts since. We also reflected on the importance of our children as the future and the responsibility they hold. We pray that future generations will learn from the mistakes of the past and work towards a world of lasting peace.

Class 8 - Earth & Space - Solar System

Ask Class 8 what mnemonic has helped them remember the order of planets in our solar system!

I was delighted this week when the Class 8 children brought their science homework for me to read. They have been working so hard with Mrs. Gold and Mrs. Morris and are making excellent progress! Well done, Class 8!

Nursery Rhyme Week

W/c 11th November 2024

The importance of nursery rhymes for the under 7's

Nursery rhymes play an important role in early childhood development and education. As well as being fun they are excellent teaching tools:

Nursery rhymes and children's songs boost vocabulary and language development

They help children to develop literacy skills

They provide a fun way to support early numeracy skills

Nursery rhymes help children to develop social, physical and emotional skills.

Crowden - River Study Postponed

Classes 4 & 6 will visit the Peak District National Park later in the year.

Thank you to the parents and carers of classes 4 and 6 for your understanding with regards to the postponement of our Crowden river studies in the Peak District National Park. We look forward to visiting this beautiful location in spring 2025.
